BOOKS, BOOKS, BOOKS!

2025

Hello, Book Friend,

I'm Diane Vallere, and I write humorous mysteries. I started Polyester Press in 2012 as a micro-imprint to publish my books. Since then, I've written over forty mysteries across five series, some of which were first published by traditional houses before rights reverted back to me.

My books reflect my love of the mystery genre and my background in fashion. I cut my teeth on Trixie Belden and Nancy Drew then graduated to Janet Evanovich and Sue Grafton. My series are set in Pennsylvania, Texas, California, and Outer Space -- something for everyone!

This is the first Polyester Press catalog produced for bookstores. All books listed here are available for POD ordering through Ingram with a standard discount and returns. I'm hoping to shift to print runs in the future. If you see something you think your customers would enjoy, I hope you'll take a chance on something in my catalog.

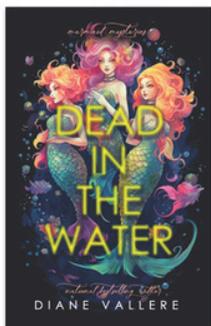

Read what makes you happy!
