BOOKS, BOOKS, BOOKS!

2024

Hello, Book Friend,

I'm Diane Vallere, and I write humorous mysteries. I started Polyester Press in 2012 as a micro-imprint to publish my books. Since then, I've written forty mysteries across five series, some of which were first published by traditional houses before rights reverted back to me.

My books reflect my background in fashion and my love of the mystery genre. I cut my teeth on Trixie Belden and Nancy Drew then graduated to Janet Evanovich, Sue Grafton, Lawrence Sanders and now Elle Cosimano. My series are set in Pennsylvania, Texas, California, and Outer Space -- something for everyone!

This is the first Polyester Press catalog produced for bookstores. All books listed here are available for ordering through Ingram with a standard discount. If you see something you think your customers would enjoy, I hope you'll take a chance on me. As of 2024, I am able to offer returns.

Read what makes you happy!
XO, Diane
